

Read to Succeed

Read to Succeed was founded to encourage students **like you** to improve their reading skills over the summer and develop a lifelong enjoyment of reading. Read to Succeed provides its five partner schools with a book list selected by the teachers. You will select six books that you want to read over the summer. Read to Succeed purchases these books and delivers them to you in a Read to Succeed bookbag before summer vacation. After reading each book, you will take an online comprehension test through the Accelerated Reader Program. Access to the tests is provided by your school. Students who pass all six tests will be awarded a **\$1,000 scholarship** in a Read to Succeed-sponsored Rhode Island CollegeBound Saver account, the state's 529 college savings program. Our goals are to:

1. Reduce or eliminate the summer learning loss by reading over the summer.
2. Promote recreational reading as a source of relaxation, learning, and fun.
3. Provide free books to you and your families to keep and share.
4. Create a pathway to college through scholarships at an early age.
